Subject: Recommendation of award; Case of, Claudine Brogan, Fall River Young Marines

I enthusiastically recommend, Claudine Brogan for National Adult of the Year. Ms. Brogan is a member in good standing of the fall River Young Marines.

1. Summary of Action: Ms. Brogan has been an active member of the Young Marines since 2015. She takes an active role participating at higher headquarters functions attending encampments and meetings as an AV. Additionally, she's held many billets at the unit as outlined in her unit commander's recommendation.
2. Ms. Brogan has over 192 volunteer hours logged and as her unit commander states, she has given much more than that.
3. Ms. Brogan demonstrates her commitment to learning and bettering herself for the good of her Young Marines by being Project Alert certified and taking classes at YMU.
4. Ms. Brogan has held a number of billets throughout the year including Battalion XO, Female Staff advisor and AMO. In addition to those billets she has served as assistant to the supply officer and assistant to the XO.
5. Ms. Brogan sets the example of what an adult volunteer should be by setting the example serving with humility and never seeking credit for what she does.

Respectfully submitted,

Robert W. Dittrich, Jr.
Commander, 1st Young Marine Division

Fall River Young Marines

USS Massachusetts BB59

October 28, 2018

To: Robert Dittrich, Division 1 Commander
From: Frank Andrade, Unit Commander

SUBJ: ADULT VOLUNTEER OF THE YEAR (Division)

Sir,

I am writing to recommend that Adult Volunteer Claudine Brogan be highly considered as the Division Adult Volunteer of the Year. Claudine has been selected as our Unit Adult Volunteer of the Year and is a volunteer who stands out as someone who not only serves the Fall River Young Marines but everyone she comes in contact with. Claudine was also selected as this year's unit and 3rd Battalion adult volunteer of the year.

Claudine has been an Adult Volunteer with the Fall River Young Marines since January 7, 2015. Since that time, she has served in many capacities i.e.: Activity Medical Officer, Female Staff Advisor, Assistant Adjutant, Assistant Executive Officer and Assistant Supply Officer. Claudine also plays a huge role in the continued success of our unit and Young Marines. She is also an important member of several regimental encampments, where she served on the Southern New England Regimental encampment staff. Claudine has great pride in the program and the Young Marines she mentors. In an attempt to further be involved with helping youth succeed in the program, Claudine was nominated for and accepted the position of 2nd Battalion Executive Officer for 1 term.

At the unit level, I consider Claudine irreplaceable. She even holds the unofficial title of Assistant Executive Officer, and I often include her in decision and issues that need addressing between the Executive Officer and I. Claudine has also served in the temporary capacity of Executive Officer and Unit Commander in my and the XO's absence. Claudine has assisted other adult volunteers within the unit and has helped organize the Young Marine ball and Christmas party each and every year. In addition, Claudine has spent countless ours organizing the unit supply locker and is often the main effort in planning unit encampments and many community service activities. Claudine is also an active member on our Parent Support Group, and continually takes time out of her week to befriend parents and offer support when in need. Claudine has been a mentor to all she passes paths with and truly is an integral part of our team. Claudine even volunteered for a recent bullying course to help better understand the issue and ensure she is ready to identify and correct potential issues in the unit before they arise.

Claudine is Project Alert certified and has completed the Adult Leader (RAM) exam before it was closed. Claudine is listed in the database as having 192.25 hours in FY2018, which does not come close to the hours she actually puts in. Claudine puts the Young Marines first and is so humble, that she fails to enter her own hours and is unable to receive the recognition she deserves. From our Executive

Officer, and in what I agree with strongly, Claudine's dedication to the Young Marine program on multiple levels is "Second to None."

Claudine is constantly putting the needs of others above her own. Her humility in doing so sets an example to everyone of what an Adult Leader and volunteer truly means. Everything Claudine does is out of a seemingly unlimited intrinsic motivation to help others. She never takes any credit for any of her actions and she would never think of herself deserving this recognition. Because of this, I ask for your utmost consideration in considering her as Division Adult Volunteer of the Year so she finally gets the recognition she deserves.

Sincerely,

A handwritten signature in cursive script, appearing to read "Frank P. Andrade".
