

Kohl's Volunteer Program How To

1. **Overview.** Through our Kohl's Volunteer Program, Kohl's associates donate their personal time to make a difference in their local communities by volunteering with eligible 501(c)(3) nonprofit organizations. In support of their associates' volunteerism, the eligible organization will receive a \$500 volunteer reward for every five associates that volunteer for each event. Since the program's inception in 2001, Kohl's, through the volunteer program, has donated more than \$155 million in corporate grants to eligible nonprofit organizations across the country.
