To Whom It May Concern,

On behalf of the Mesa Police Department, it is with great pleasure to endorse and recommend the East Valley Young Marines to be considered for Unit of the Year. The East Valley Young Marines have been community partners who have contributed to the community and most recently focused on "CLOSING THE GATE ON DRUGS" campaign. This program promotes a healthy drug free life style in our schools and community. The East Valley Young Marines exemplify young adults caring about their community and demonstrating it by their actions. They have supported the community in a number of ways, especially during the holiday season.

It is through their commitment to the community and their actions that I hope you will consider the East Valley Young Marines as the Unit of the Year.

Sincerely,
