Objectives:

1) Recall the Young Marines’ birthday and where and when the Young Marines was founded.
2) Define Young Marine jargon.

Essential Questions:

1. What is the Young Marines Birthday?
2. Where and when was the Young Marines founded?
3. Why is important to know Young Marine Jargon?

Materials needed:

Projector/Screen, Laptop, necessary cords, extra laptops or cellphones, internet connection, index cards, writing utensil, markers or crayons if desired

Activities:

1. Introduce the topic
2. Direct Instruction
   - Use PPT and speaker notes to introduce Young Marine history. Generate discussion on importance of various dates.
   - Use PPT to teach military jargon. Show images and use words in context.
   - Pair/Share to create sentences with the words.
3. Independent/Group Practice Activity Options
   - Create flash cards with words and definitions. Write sentences using a few of the words and then share Round Robin style.
   - Using designated devices, divide recruits into teams or individually (depends on number of devices/recruits) and play Kahoot!
4. Evaluation
   - Work in teams to write a short story or create a skit using as many of the words as possible correctly.
5. Reflection
   - Have recruits discuss the importance of knowing Young Marine Jargon.
   - Have recruits rank the words in order of importance or amount of usage and give an explanation as to order.

Learning Styles: Linguistic, interpersonal

Reteaching:

Review commonly missed words and have recruits correct them in their scripts.

Accommodations:

Preferential seating, collaborative grouping, allow students to draw pictures on their flashcards instead of words
